

SHELTER Lockdown Solution (Indianapolis, IN)

Course Description:

The BEST SHELTER product training is a 1 ½ - day, Indianapolis-based training program for Technicians, Dealers and Customers who are responsible for installation, operation, and administration of a BEST SHELTER wireless lockdown system. The current, SHELTER web-based software will be used, and the student will be exposed to the modules necessary to set up and administer a BEST SHELTER wireless lockdown system.

Topics Covered:

- Architectural Overview
- Installation Considerations
- Hardware Installation
- Signal Strength Survey
- SHELTER Web-based Software Configuration
- System Administration

Who Should Attend: dormakaba personnel, Dealers and End-Users responsible for the installation and configuration of a BEST SHELTER system.

Cost: No Charge

Location: BEST Access Solutions, Inc. 6161 E 75th Street Indianapolis, IN 46250

Time: 8:00 AM - 4:00PM (Eastern) (Lunch and beverages will be provided)

Class Attire: Clothing appropriate for a casual, business environment (clean jeans are welcome). No open-toe shoes as a tour of the factory will be included in the class.
